## Updated Info Only Pre-Registration List – coming today

Look for an updated Info Only Pre-Registration. The list will be sent in an excel file via email – please note: the email will be from and to me: [llarson@amcp.org](mailto:llarson@amcp.org) and all exhibit contacts will be Bcc'd.

The Info Only list will contain name, title, company, city, and state. Please use this list to see who's attending and for pre- and post-event marketing.

The list may not be added into any type of electronic database. The list will also be updated on the [Nexus website](#).

## Follow Up re: New Vendor: RainProtection

RainProtection is a new vendor working with AMCP to ensure all exhibitors carry the mandatory liability insurance.

From the Exhibitor T&Cs: AMCP requires Exhibitor maintain General Liability insurance from an insurance company in good standing with minimum policy limits of \$1,000,000 per occurrence and \$2,000,000 aggregate. This insurance must be in force during the lease dates of Nexus 2021, October 18-21, 2021, naming AMCP as the certificate holder. The additional insureds must read as follows: AMCP, Gaylord Rockies and Freeman.

Send Rainprotection your current Certificate of Insurance (COI) listing AMCP, Gaylord Rockies and Freeman as additional insured. Or, if you like/need, you can purchase the insurance from them for \$94.

## COVID Safety at Nexus

AMCP is partnering with VOW Digital Health to implement a COVID-19 vaccine protocol at Nexus. All registered attendees will receive a text message from VOW that will walk them through uploading their driver's license and their COVID-19 vaccination card. Once uploaded and verified, the VOW system will issue a confirmation that they can pick up their badge onsite at Nexus.

Registered attendees that aren't fully vaccinated will need to send an email to [meetings@amcp.org](mailto:meetings@amcp.org) and will receive a different protocol asking them to upload a negative COVID-19 test by Friday, October 15. That test will be verified in the VOW system and the same verification as mentioned above will be issued allowing them to pick up their badges onsite.

Additional information regarding the VOW vaccine protocol will be emailed to registered attendees. All Exhibitor Appointed Contractor (EAC) staff will also be contacted to upload their vaccination card as well. Specific instructions will be sent to EAC contacts.

Masks will be required at all indoor events during Nexus 2021. For more information regarding onsite COVID Safety measures, visit our [COVID Safety](#) page.

## New Opportunity: AMCP Partnering

Launching at Nexus 2021, AMCP is piloting a new opportunity for managed care decision makers to formally connect with key audiences face-to-face within a designated area in The Exchange, the Expo at Nexus.

More than 150 Nexus registrants have signed up to Partner and schedule meetings in advance at Nexus. Visit the [AMCP Partnering page](#) or contact Liz Colangelo on the AMCP Business Strategies team at [corporateopportunities@amcp.org](mailto:corporateopportunities@amcp.org) to sign up!

## Exhibitor Service Kit Available

The Nexus Exhibitor Services Kit is available on the [Exhibitor Information page](#). Freeman has also emailed each exhibit contact with the link and user instructions.

Please note several exclusive service providers at the Gaylord, including catering, utilities, internet and rigging. All vendor information is included in the Exhibitor Service Kit.

All companies using an Exhibitor Appointed Contractor must return the EAC Notification form included in the Kit to [llarson@amcp.org](mailto:llarson@amcp.org) immediately. EAC companies must also supply COI insurance forms prior to move-in at the Gaylord. EAC clients will be sent follow up instructions regarding vaccination status.

Please contact me and let me know if you have any questions. I'm here and happy to help.

Thank you again.

Sincerely,

Laura K. Larson, CEM
